

M-Bike ownership transfer fee set at RM3 nationwide

PUTRAJAYA: The fee for the transfer of ownership of motorcycles will soon be standardised at RM3 nationwide, says Datuk Seri Liow Tiong Lai.

The Transport Minister said the move would take effect from next month. “We have decided to standardise the rate in line with the Government’s continuous efforts in ensuring that the people’s welfare is taken care of, especially those in the B40 group.

“The Government is always aware of the people’s needs when it comes to cutting down on expenses,” he told reporters after his post-Cabinet meeting yesterday. At present, the fee is RM3 for the peninsula, RM5 in Sarawak and RM40 in Sabah.
