Public transport : More exits for Tasik Selatan LRT station

Public transport : Station being upgraded

WITH reference to the letter "More exits for Tasik Selatan LRT station" (NST, July 8), we wish to thank G.S. of Putrajaya, for highlighting the matter. There are four gates at the Bandar Tasik Selatan station. In the morning, we set three aisles for entry and one for exit, while in the afternoon, we set two aisles for entry and two for exit.

With the new integrated ticketing system fully operational by the end of the year, the old gates will be replaced.

The Bandar Tasik Selatan station is undergoing upgrading, which will be completed next year. Customers can give feedback by calling 03-78852585 or email suggest@rapidkl.com.my.
