## **MEDIA RELEASE**

### **MINISTRY OF TRANSPORT MALAYSIA**

#### **ALL PUBLIC TRANSPORT STATIONS AND TERMINALS IN MCO AREAS TO REMAIN OPEN**

The Ministry informs that all public transport services at stations and terminals listed under the Hotspots Identification for Dynamic Engagement (HIDE) system will remain operative.

However, all retail outlets in the stations listed below will be closed for three (3) days from Sun, 9 May to Tuesday, 11 May 2021 under orders of the National Security Council (MKN) as announced by YB Senior Minister (Security Cluster) on 8 May 2021. Any extension of closure will be subject to announcements by MKN.

1. LRT KLCC
2. LRT Masjid Jamek
3. KL Sentral

Keeping public transport services running is crucial for the country, especially for frontliners who must rely on their continued operations even during the Movement Control Order (MCO) in Selangor and Kuala Lumpur. In the event of any emergency, it is important that all public transport stations remain open to evacuate or dispatch emergency medical services to our passengers.

Rest assured, these transportation stations are equipped with thermal scanners alongside strict enforcement of COVID-19 prevention standard operating procedures (SOPs).

MINISTRY OF TRANSPORT  
MALAYSIA

As always, the Ministry strongly urges all public transport users to practice self-compliance with regards to the SOPs at all stations and terminals including using hand sanitisers, wearing face masks, maintaining physical distancing wherever possible, and checking in with MySejahtera QR codes where required.
